Buyers Appreciation Dinner to follow

The 4-H and youth of Dickinson County would like to welcome you as a perspective buyer for our annual livestock sale. Our youth are dedicated, hardworking and responsible, and each year select, feed and groom a steer, lamb, goat or hog to exhibit at the fair. When they prepare and exhibit their livestock proudly at the Dickinson County Fair, it is one of the most memorable experiences of their lives.

Your participation allows many young people of our community to experience the marketing process and see the results of their efforts. The Youth Livestock Auction is the highlight of their project. Its success is dependent upon the bidders. Young people are taught the responsibility of caring for an animal, but also get experience in the American Enterprise System.

Please consider attending this year's auction. If you have any questions about the sale, contact any of the youth, a Youth Livestock leader, Tricia Suheski, Market Livestock Superintendent at (906) 282-2687 or the Fair Office at (906) 563-8840.

General Information:

After purchasing an animal, you sign a card stating the packing company you would prefer to have your purchase shipped to, process and freeze the meat and they will call when ready.
