Why Keep Records?

By keeping records, you will be able to see how much progress you make this year and over the course of your market livestock career as you set goals and work to accomplish them.

Good records will:

- Help you learn about animals, their rate of growth, the feed they require, the cost of the feed they require and their habits.
- Increase understanding of your project's financial outcome.
- Assist you in gathering information to market your animal.
- Improve your management practices.
- Keep track of your project activities and learning experiences.
- Allow you to better plan for future livestock projects.

PLEASE PRINT OR WRITE CLEARLY.
