PENS FOR FAIRGROUNDS

The Dickinson County Fair Board sought the help of BOSS Snowplow of Iron Mountain and the Dickinson-Iron Intermediate School District's Tech Center to design and build new livestock pens for the fairgrounds. Using donated metal from BOSS, Tech Center welding students led by instructor Andrew Paulsen built 30 livestock pens. "This is a great opportunity for the students to practice their welding skills and collaborate with local industry," an ISD spokesperson said. Pictured, from left, in back are John Degenauer, Dickinson County Board of Commissioners and chairman of the Dickinson County Fair Board; Dean Larson, fair board; Michael Mulligan, Tech Center director/principal; Andrew Paulsen, Tech Center welding instructor; Brett Kramer, BOSS Snowplow; and Brian Mitchell, BOSS Snowplow. In front, from left, are welding students Sheyenne Skog and Aleesha Carlson.
