

Dear Dickinson County Fair Friends,

We the fair board would like to thank each and everyone of you in helping make the Dickinson County Fair such a huge success. Not everyone realizes the endless hours that go into organizing such a huge event each year. The hours of volunteers that help coordinate this event make it as grand as it is. Beginning with the exhibitors who spend countless hours preparing there exhibits. The 4-H and youth livestock exhibitors . The adults who exhibit with pride and the numerous other exhibits that make up the fair. Baking, canning, horticulture, floriculture, art, photography and endless others that help make the fair a family atmosphere event. And also you the participant all come and enjoy the fruits of everyones labor and volunteerism. As the fair ends one year, we start preparing for the next year. So again with great pleasure and pride a big thank you to each and everyone of you.

Our 108th fair is here and we hope to see each and everyone of you at the fair. There have been changes and improvements and we will continue to serve the community with the best fair in the state of michigan. Again, thank you all for being part of the 2018 Dickinson County Fair.
